Commissioner for Patents

P.O. Box 1450

Alexandria, VA 22313-1450

Sir:

In accordance with the duty of disclosure under 37 C.F.R. § 1.56, Applicant hereby notifies the U.S. Patent and Trademark Office of the documents which are listed on the attached PTO/SB/08 A & B (modified) form and/or listed herein and which the Examiner may deem material to patentability of the claims of the above-identified application.

One copy of each of the listed documents is submitted herewith, except for the following: U.S. patents and/or U.S. patent publications; and co-pending non-provisional U.S. applications filed after June 30, 2003.

The present Information Disclosure Statement is being filed: (1) No later than three months from the application's filing date; (2) Before the mailing date of the first Office Action on the merits (whichever is later); or (3) Before the mailing date of the first Office Action after

filing a request for continued examination (RCE) under §1.114, and therefore, no Statement under 37 C.F.R. § 1.97(e) or fee under 37 C.F.R. § 1.17(p) is required.

In compliance with the concise explanation requirement under 37 C.F.R. § 1.98(a)(3) for foreign language documents, Applicants submit the following explanations:

Applicants submit a copy of JP 2003-1682007 (along with a computer-generated English translation and an English-language Patent Abstracts of Japan) which was previously cited in the Information Disclosure Statement filed on October 6, 2005. Since JP 2003-1682007 was previously listed on the PTO/SB/08 A&B (modified) form, applicants are not listing it on the attached PTO/SB/08 A&B (modified) form.

JP 2000-276729 is cited and discussed at page 3, lines 17-18 of the present specification. In addition, the attached English-language Patent Abstracts of Japan and computer-generated English language translation for JP 2000-276729 comprise concise statements of relevance for the listed document.

The submission of the listed documents is not intended as an admission that any such document constitutes prior art against the claims of the present application. Applicant does not waive any right to take any action that would be appropriate to antedate or otherwise remove any listed document as a competent reference against the claims of the present application.
